The image displays a large, rectangular grid composed of numerous small, black and white squares. The grid is organized into 100 vertical columns and 26 horizontal rows. Each column contains a sequence of black and white squares, with the height of the black square sequence varying across columns. This creates a complex, textured pattern that resembles a barcode or a data matrix. The overall effect is a dense, abstract visual structure.

A large grid of 100 columns and 100 rows of 'X' marks. The grid is composed of 100 columns and 100 rows. The columns are numbered 1 to 100 at the top. The rows are numbered 1 to 100 on the left. The grid is divided into four main sections by vertical gray bars. The first section contains columns 1 to 25. The second section contains columns 26 to 50. The third section contains columns 51 to 75. The fourth section contains columns 76 to 100. The grid is filled with 'X' marks, with some columns highlighted in gray.
